

International Conference: *Fostering Cooperation in Energy Efficiency and Accessibility in East Africa*

The International Conference "*Fostering Cooperation in Energy Efficiency and Accessibility in East Africa*" is organised by the ENRICH and SUCCEED Network projects, financed by the European Commission through the EU-ACP cooperation programmes EDULINK and ACP S&T.

This International Conference aims to bring together stakeholders involved in the field of Energy from academia, researchers, project managers, NGOs, representatives of the industry and policy makers in order to encourage dialogue and strengthen cooperation links in the energy sector in East Africa.

In addition the organisers wish to enhance awareness of the real needs of Science, Technology and Innovation related to Energy Access and Efficiency, and to foster discussions on how the Higher Education system can contribute to this.

The Conference will take place on 13 & 14 March 2017 in Zanzibar, Tanzania.

Limited invitations are available by contacting the organisers at projects@ua.es
